Testimonial

"The work that Pro-coaching has done with our school has enabled the quality of sports provision to improve dramatically. Pro-coaching work with the school in planning, budgeting and delivering sport and PE throughout the school. Their work with us ranges from Foundation Stage fundamentals, coaches leading PE in KS1 and KS2, organising and running intra school competitions, coaching a wide range of sports and preparing teams to compete in Taunton Inter school competitions and organising and supervising those teams at those competitions.

Employing Pro-coaching as our provider of sports provision, using the sports grant, has ensured that all the children have the opportunity to experience a wide range of high quality sports coaching"
